

Supplier Quality Approval

304324/2014

This is to certify that the organization

Haynes International Ltd.
Stainburn Road , Openshaw, Manchester M11 2ER, UK

has been granted approval to

Böhler Schmiedetechnik Quality Standard QS-Z 1/7

Scope of Approval:

Forging Stock in Nickel Based Alloys

This Approval is based on:

Supplier Self Assessment 2014-07-21
BSI - AS9100C Certificate No FM 10422
BSI - EN9120:2010 Certificate No FM 10422

Böhler Schmiedetechnik reserves the right to perform evaluation of the completion of the CAR issued by Other Parties Certification bodies and to verify the QS-Z 1/7 Requirements and to perform product audits to verify compliance with

Böhler Schmiedetechnik's Requirements. Other Party Approvals do not relieve the supplier to follow QS-Z 1/7.

Other Party Approvals mentioned above must be maintained by the organization to keep valid this certificate and updated certificates must be submitted to Böhler Schmiedetechnik. In the case of any cancellation or change of the status of these Other Party Approvals Böhler Schmiedetechnik must be informed immediately.
